The JUGS Softball Pitching Machine is generally used by Pitching Machine Leagues, Youth Leagues & High Schools

**"The JUGS Softball Pitching Machine is the most consistent machine I've ever used—and consistency is essential when trying to perfect your swing."**

Michele Smith,  
1996, 2000 Olympic Gold Medalist

Note: JUGS Sports is proud to include [articles written by Michele Smith](#) in the [Coaches Corner](#) as well as videos featuring her in the [Video Dugout](#).

**"The two keys to the JUGS Softball Machine, in my opinion, are the machine's on-the-money precision and its durability. We've used the JUGS for eight years, and I expect this machine will easily last us another eight."**

Celeste Knierim,  
Head Softball Coach, St. Louis CC/Meramec Hall of Fame
